

Optimal Personnel Services

**EXCAVATOR OPERATOR
Identified Position – Aboriginals and Torres Strait Islanders Only**

Mount Gibson Iron Limited is an established and independent Australian producer of premium quality direct shipping iron ore with assets in the Kimberley and Mid-West regions of Western Australia.

Our high-grade Koolan Island Operation is located approximately 140 kilometres north of Derby in Yampi Sound off the northern Kimberley coast of Western Australia. Work to bring the mine back into production is in its final stages and on track for ore sales to resume in Q1 2019.

We are now seeking to employ an Excavator Operator at our Koolan Island Operation for permanent long-term work on a (7 Day On / 7 Night On / 7 Day Off) roster from Perth, Broome or Derby.

Reporting to the Mine Production Supervisor, this position is responsible for the safe operation of production excavators, meeting production targets & ensuring delivery of a non-contaminated ore product. The position will at times be required to assist in other work areas on the Koolan site, including operation of other types of surface mining equipment, providing competency in that equipment has been attained.

Key responsibilities:

- Demonstrate a high regard to safety
- Be able to work in a team environment
- Be able to produce high quality workmanship
- Be able to communicate affectively within the work environment.
- Demonstrate a good positive attitude, reflecting the values of Mt Gibson Iron and the Koolan site
- Meet all OHS requirements including reporting of hazards & incidents, abiding by Mount Gibson Iron "Our Rules"
- Comply with Mount Gibson Iron policies & procedures
- Meeting specified production targets
- Digging floors to required level
- Minimise ore dilution
- Pull batters to specification
- Accurate recording of daily shift information

Skills and Experience Required:

- Minimum 2 years experience in a similar position
- Senior First Aid or the capability to obtain this qualification
- Demonstrated ability to efficiently operate an excavator in a production mining environment
- Demonstrated ability to meet targeted BCM/Hour
- Experience operating **Hitachi EX3600, EX2600, EX1900, Komatsu** or equivalent
- Demonstrated ability to work to deadline and to meet specified targets
- Previous mining experience is desirable
- Understanding of OHS requirements in a production mining environment
- Ability to operate a dump truck in a production mining environment
- Current Western Australia HR drivers licence
- Excellent communication skills, and the ability to carry out instructions
- Demonstrated leadership skills are desirable
