

# VISITING DAMBIMANGARI COUNTRY?

## DON'T FORGET YOUR VISITOR PASS!

Go to [www.dambimangari.com.au/visitor-location-pass](http://www.dambimangari.com.au/visitor-location-pass)

The **Dambimangari Visitor Pass (DVP)** is a permit system that enables visitors to enjoy our Country and supports us to manage increasing tourism pressures on our remote coastline.

The DVP provides a list of approved sites to access on our land, and a Code of Conduct outlining cultural protocols when on Country.

The DVP aims to promote culturally appropriate, respectful, and sustainable access to our Country.

It helps protect cultural and heritage values, reduces biosecurity risks and the impacts

of invasive species, and keeps people safe when visiting Country.

Dambimangari Country stretches along the Kimberley Coast from the Robinson River, just north of Derby, all the way to the Prince Regent River area in the North Kimberley. It has been our home for many thousands of years.

Through our Law we have cultural responsibilities to look after people when they visit our Country.
